Vysnova Partners, Inc. is a program management firm that delivers a broad range of professional, technical and institutional support services in Public/Global Health, Research and Development (R&D) in the Life Sciences, and Government Operations and Acquisition on a global basis.

As an implementing partner to the U.S. Government in the US and , Vysnova ensures that all program activities are compliant with all Federal Acquisition Regulations (FAR), other Agency-specific regulations, and local laws.

Vysnova Partners, Inc. is proud to announce that we have received an award under the GSA OASIS Small Business (OASIS SB), Pool 4 Multiple Award (MA), Indefinite Delivery, Indefinite Quantity (ID/IQ) contract as a Prime Contract Awardee. Pool 4 is focused on research and development. The OASIS contract has a \$60 Billion ceiling.

Vysnova's OASIS Small Business, Pool 4 Prime contract MA-ID/IQ will enable our firm to continue to support our current and future customers with their complex professional services requirements – core disciplines/scopes of the contracts include:

- Program management services
- Management consulting services
- Logistics services
- Engineering services
- Scientific services

GSA OASIS is a family of seven (7) separate Government-wide MA-IDIQ task order contracts that span 28 North American Industry Classification System (NAICS) Codes and 6 NAICS Code Exceptions under the economic subsector 541 - Professional, Scientific, and Technical Services. GSA's goal in creating OASIS SB was to provide a total solution to agencies' requirements, while maximizing opportunities for small businesses. The OASIS MA-IDIQ contract vehicle can be used by all Federal agencies and GSA approved entities and is designed to address agencies' need for a full range of service requirements that integrate multiple professional service disciplines with the flexibility for all contract types and pricing at the task order level. The contract features include:

- Commercial and non-commercial services § CONUS and OCONUS requirements
- Classified and unclassified services
- Ancillary Support necessary to deliver a total solution, such as:
  - ✦ Labor
  - ✦ Materials
  - ✦ ODCs
- Hybrid of any of the above
- Designated Best-in-Class (BIC) solution helping agencies meet their spend under management goals
