Vysnova Receives HIRE Vets Gold Medallion

Vysnova Partners, Inc. (Vysnova) is proud to announce it has received the HIRE Vets Gold Medallion. As the only veteran hiring award at the federal level, the Honoring Investments in Recruiting and Employing American Military Veterans (HIRE Vets) Medallion Program implements the requirements of Public Law 115-31, the HIRE Vets Act of 2017 signed by President Donald J. Trump in May 2017. By meeting the criteria required for a Gold Medallion Award, Vysnova Partners, Inc demonstrated a model of patriotism worthy of praise as well as a recognition of the value veterans bring to the workplace.

“At Vysnova we are delighted to once again be recognized by the U.S. Department of Labor VETS office. As a Veteran-Owned small business we will always continue to try and make hiring veterans a priority; hence providing meaningful employment and training opportunities for those who have served our great Nation.” Carlos Rivera, CEO

ABOUT HIRE VETS

The HIRE Vets Medallion Program is an employer recognition program administered by the Department of Labor’s Veterans’ Employment and Training Service (VETS). Through the program, VETS accepts voluntary applications from employers for the HIRE Vets Medallion Award beginning on January 31 of each calendar year. The Award recognizes employers who hire and retain veterans, including their efforts to establish employee development programs and veteran specific benefits to improve retention.

Employer-applicants meeting criteria established in the rule receive a “HIRE Vets Medallion Award.” There are two award tiers, Platinum and Gold, for large (500-plus employees), medium (51-499 employees), and small employers (50 or fewer employees). Verification of award criteria includes a self-attestation by the applicant CEO or CHRO and a check for violations of the Uniformed Services Employment and Reemployment Rights Act (USERRA) and the Vietnam Era Veterans’ Readjustment Act (VEVRAA).
